

Every year we welcome young people from all over the world who join Clayesmore to gain cultural,

Having worked for many years in an international setting in Switzerland, I understand the wonderful advantages of international and local students learning to live and work alongside each other - a boarding education provides a fabulous opportunity to truly immerse oneself in the language and culture of the host country whilst also making friendships that will last a lifetime.

Here at Clayesmore, we offer a warm and friendly atmosphere and truly understand every pupil to help them thrive and succeed. This is one of the many reasons why our pupils leave us to go on to top universities across the UK and the world, having been guided and supported by a team of dedicated teachers committed to help each

Where better to experience this than in the heart of the stunning English countryside. Based in North Dorset, just two hours South West of London, Clayesmore provides a safe and happy place where everyone can develop and learn.

We would be delighted to welcome you to visit Clayesmore, to

Head

Named after our founder, Lex Devine, LEX is a vibrant weekend programme of exploration, excursions and experiences designed to be memorable and transformative whilst equipping Claysmore

boarding houses. Boys join Gate, Devine or
Manor and girls join King's or Wolverton.
Houseparents care for your child while they
are with us along with a team of matrons and
tutors who will provide pastoral and academic
support. The Houses provide a warm and caring
environment for each child.

We aim to ensure that our International pupils

We ensure all our students are healthy and safe during their time at Clayesmore.

Our fully equipped Health & Wellbeing Centre is on campus with dedicated healthcare assistants who look after children who may fall ill or have an injury; we also have local doctors on call to visit the school if required.

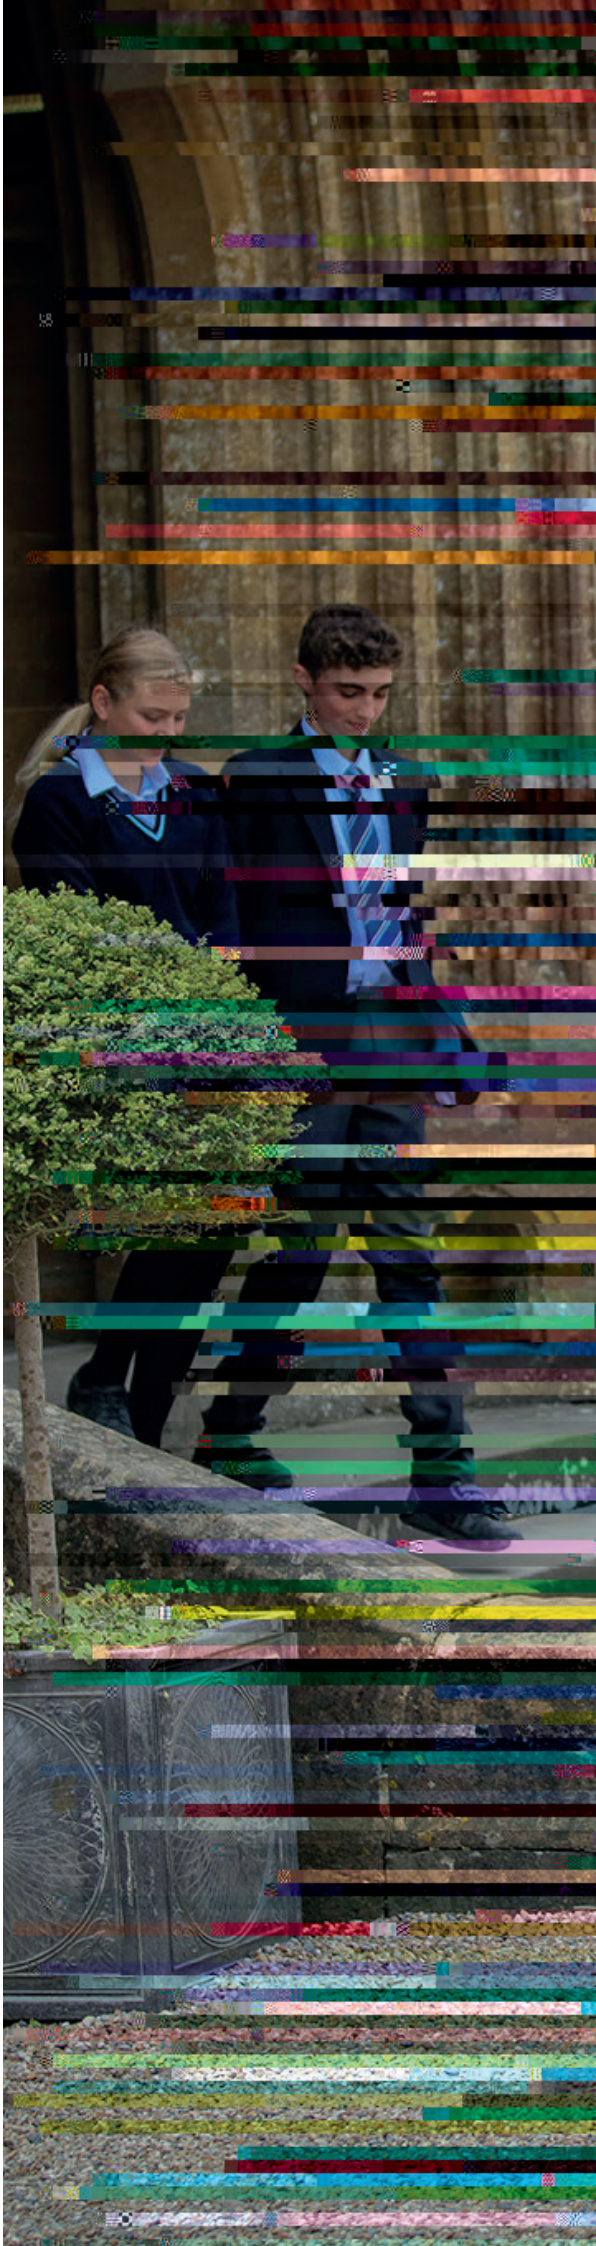

Our campus is a safe environment located in the English countryside. We have a robust safeguarding policy which means all our staff have a responsibility to ensure the safety and welfare of our students at all times and we take this responsibility very seriously.

Our COVID protocols are second to none and we strictly follow government guidance and regulations to keep our school community protected from Coronavirus. Our approach to COVID during the

Every year our Senior School welcomes children from all over the world. We adopt an all-embracing, holistic approach, to strengthen and guide our students, educationally, socially, physically and emotionally. A powerful and effective combination of dedicated, enthusiastic staff means we are one of the best schools in the UK.

Our Year 9 is the first year of our Senior School. Students study the same subjects as in Year 7 and 8 but in a more advanced way. They study English and Chemistry as separate subjects as well as participate in a wide range of activities across music, sport, art and drama.

My favourite part of the school has to be the co-curricular activities. I play Grade 2 Viola and I also take part in regular LAMDA examinations. At the weekends, I love taking part in the school shopping trips, particularly when we go to Southampton or Bath!

My advice to someone looking to join Clayesmore would

We offer a varied choice of GCSE and IGCSE courses which our International pupils can take examinations for to endorse their academic experience at Clayesmore.

There is a strong emphasis on both spoken and written English, and it is a great way to develop real expertise in English while at the same time preparing for future study in our GCSE and IGCSE courses at Clayesmore. As part of the GCSE curriculum, those with English language requirements will also take English Language for GCSE. For more information, please contact the International Office on 01273 835500 or enquiries@clayesmore.ac.uk.

The best students in English are prepared for IGCSE English Literature, as well as English Language. Many International pupils will also sit the Cambridge Assessment English suite of exams.

- Music

I've been at Clayesmore for the past two terms and have enjoyed it so much that I'm actually going to take my GCSEs here next year! I love boarding and have made lots of friends. I've really enjoyed $\Upsilon\text{fb}|\text{ : fYbW}\text{'Uh7}\text{ 'UhYga cfYUbX}$ hope to study it even further next year.
